Dear Sir:

Thanks for your check for the two (2) \$5
gold coins.

I took Mr. Salisbury to the bank this morning.
He intended to mail these coins to you before
going on a short trip, but they were having
trouble with the vault door at the bank. I
feel sure they will have this corrected right
away.

We will mail the coins to you as soon as he
returns, and will also send you a list of some
other gold coins in which you may be interested.

Yours very truly

Mrs. R. J. Salisbury
